Other Business:

1. Nadine – yearbook. Showed what the gr. 7 yearbook looks like. 17 cents/pg. Yearbook includes – gr. 7 photos, k photo, class photos, sports photo, baby pic, art, gr. 7 activities. Hope that next year we would consider giving money to support the yearbooks. \$13 books a child.

Angeliqua – gr. 7 parent upset about not getting support for yearbooks. Gr. 7 have volunteered many hours and feel they weren't supported. Many gr.7 parents are upset about the budget. PAC didn't get a grant – the yearbook fund was not in the budget. When it is not on the budget it needs to be voted on.

Jayne – unfortunately not one gr. 7 parent came to the PAC meeting. It was on the agenda. Nadine stated – it has been on the budget for 11 years. It is a way to say thank you to the parent and student for the gift of time, we appreciate you.

2. Executive Meeting – we discussed this at length. We gave gr. 7 parents for options to ask for money about other aspects of gr. 7 activities. Unfortunately a gr. 7 parent didn't personally to come to the meeting to ask for the money. Gr. 7 were given options to ask for money to support gr. 7 activities.

3. PAC Minutes and Agendas are emailed out and on the facebook page.

4. In the future, if a motion is put forward to vote on (money or decision) that a representative is there, so that there can be an informed decision. We conclude that the yearbook vote came with out the adaquate information.

Actions taken:

1. Jayme – facebook post and blog will be written
2. In the future, if a motion is put forward to vote on (money or decision) that a representative is there, so that there can be an informed decision.
