THE CONSENT FORM MUST BE RETURNED BY MONDAY, MAY 8, 2017

Thursday, May 4, 2017

Dear Parents/Guardians

Your son or daughter has been selected to attend the **North B Zone Regional Track Meet Wednesday May 10, 2017**. Participants will be driven to and from North Delta Secondary (8270 - 114th Street) by volunteer parent drivers. If you are able to assist, please complete the appropriate section of the attached consent form. All children will meet in our school gym at 8:30 a.m. for attendance, review of expectations and then will be transported by parent drivers to the track.

Students must sign in with Mrs. Hope upon arrival at the track and before leaving. The starting time for the meet is 9:30 a.m. While we cannot pinpoint a time of return, the meet will be over at approximately 2:45 p.m.

Student spectators are NOT permitted due to space limitations and supervision concerns.

The following are a few guidelines, expectations and materials students should bring with them to the meet. Students who do not comply with expectations, will be returned to the school by a staff member, and their parents will be notified.

1. Bring appropriate clothing – Track shirt and shorts, hats for a sunny day or warm clothing for a cloudy day. An umbrella may be good for both situations. Please remember to send along sunscreen/block appropriate for your child.
2. Please bring an *athlete's* lunch and water to drink. (Items may also be available at the concession.)
3. Bring a plastic sheet, garbage bag or blanket to sit on. We are on the grass on the hill.
4. Leave your valuables at home. NO frisbees, balls, "tents" or electronics are to be brought.
5. Students will be sitting in their allocated area.
6. Students will return to the school with a parent driver. Otherwise, please inform Mrs. Hope if you are planning on picking up your child from the track meet site. Students must have notes from parents in order to leave early.
7. Washrooms are in the east wing of North Delta Secondary. Students must ask permission of one of the Sunshine Hills supervising staff to leave the track area with a buddy.
8. Students are expected to stay in their school area, show good sportsmanship and interest in the meet.
9. Students needing medication must make arrangements with Mrs. Hope before they leave our school.

Students, with some guidance, are responsible for listening for the announcement of when their event occurs. Athletes should stay attentive during the meet so that they will know when their turn is coming and will hear it announced on the P.A. Track events take priority over Field events. With so many students in attendance, it cannot be assumed that a teacher will be able to tell the students when to go to their event.

If you will permit your child to participate in this activity, **please complete, sign and return the consent form attached to your child's teacher by Monday, May 8th, 2017.**

Overall winners of this Regional Meet will be participating in the **District Meet held on Thursday, May 18th** at South Delta Secondary school in Tsawwassen. Qualifiers are usually informed the first school day following the Regional meet.

We hope all the students enjoy their day and help cheer on their fellow students.

Parents are welcome to come along and join the fun.

Sincerely,

Mrs. M. Hope

STUDENT TRANSPORTATION BY VOLUNTEER DRIVERS

Delta School District values the involvement and commitment of our volunteer drivers. Student transportation is the responsibility of the school principal who may designate a “supervisor” to assume overall responsibility for travel arrangements and supervision of travel for a particular school activity, or for all activities.

In accordance with guidelines in the Schools Protection Program Reference Manual and the regulations of the Motor Vehicle Branch, any volunteer driver willing to provide transportation where needed for organized school activities, must review and comply with the following conditions:

- The driver must hold a valid British Columbia driver's licence (Intermediate Stage or Full Privilege only);
- The vehicle must have standard insurance coverage with I.C.B.C.;
- The vehicle must have one seatbelt available for every passenger, including the driver;
- The number of persons being transported in the vehicle must not exceed the normal carrying capacity of that vehicle;
- The vehicle must be maintained in sound mechanical order;
- Children under the age of 13 must not be transported in the front passenger seat in vehicles equipped with a front airbag on the passenger side;
- The driver must authorize a Criminal Records Check for situations involving overnight trips with students;
- ALL INCIDENTS OF INJURY OR VEHICLE ACCIDENTS MUST BE REPORTED TO SCHOOL STAFF and an Incident Report (Operations 1142) must be completed and provided to the School District Office.

A vehicle with a seating capacity of more than ten persons, including the driver, is classified by the Motor Vehicle Branch as a “bus”. A “bus” used to transport students is required to have a valid school bus permit issued by the Motor Vehicle Branch. This will include volunteers' vehicles and rental vehicles used for student transportation.

Volunteers who rent vehicles to transport students for school-approved functions must be aware of the appropriate requirements for drivers licence classifications, Third Party Liability insurance limits, and School Bus Permits, particularly when renting vehicles which have a capacity to carry more than ten people, including the driver. Vehicle capacity, and not the number of passengers being carried, is the determining factor. Only drivers who are declared to the rental agency are allowed to drive (confirm minimum age requirement for operating a rental vehicle with the rental agency). Insurance coverage is voided if an undeclared driver drives the vehicle.

The Insurance Corporation of British Columbia considers drivers to be “volunteers” as long as they are reimbursed only for reasonable expenses. If you are paid a wage or are reimbursed for your time, you no longer would be considered a “volunteer” and you should contact your Autoplan agent as it may be necessary for your vehicle to be rated for “business use”.

Your actions on behalf of the School District are covered by the School Protection Program while participating in any school board or school-authorized and supervised activity. However, not all situations that occur during off-site school activities will be considered part of the approved activity. For example, if you decide to leave the premises of the school activity for personal reasons and are involved in an accident, the School Protection Program may not respond on your behalf. You should be aware that volunteers may have some personal legal liability exposures. These exposures may be insured under the liability section of homeowners' or tenants' insurance policies, or under an ICBC Policy. You are advised to check with your own insurance agents.

Third Party coverage above \$200,000 (basic personal coverage) is provided by the Schools Protection Program, however, NO COMPREHENSIVE OR COLLISION coverage is provided beyond your own personal vehicle insurance.

There is NO MEDICAL, DENTAL OR DISABILITY COVERAGE for volunteers. If you are injured by the actions of other people, you still have the right of common law action and in the case of automobile-related injuries, ICBC coverage may apply. **Please report ALL incidents of injury or vehicle accidents to school staff immediately.**
