December 21, 2017

Dear Parents/Guardian of Divisions 23 and 24:

Divisions 23 and 24 will be visiting the Telus World of Science on Friday, January 19th, 2018, to participate in the Radical Ramps program. This program explores forces and motion with ramps and rolling objects. Students will experiment and learn about gravity, friction and momentum. We will create, test, and manipulate objects to observe materials in motion. We will also be watching an Omnimax film, "Titans of the Ice Age".

This field trip will require a non-messy, easy to pocket snack (i.e. Granola bar), which we will eat upon arrival at Science World. We will also be eating lunch at Science World. Please provide your child with a bag lunch (packed in disposable containers) clearly labelled with his/her name. Children are asked to bring an extra snack and drink for our long day.

We are pleased to inform you that the cost of the bus for this field trip is covered by the Science World Field Trip Bursary. Parents are asked to pay students admission costs by bringing \$11.00 to school by Wednesday, January 10th. Please make a cheque (payable to Sunshine Hills Elementary) or send cash. **This is a no sibling field trip.** Thank you for your co-operation.

Please arrive at school at 8:45 a.m. as the bus will be leaving the school at approximately 9:00 a.m. and returning at approximately 2:45 p.m.

We will be going on a school bus and need parent volunteers. Parent volunteers (5 from each class) will be chosen by to help supervise groups of students.

Merci,

Mme Ross and Mme Tang
Classroom Teachers
