Dear Parents/Guardians of Division 23,

Our class is participating in an “Art Cards by Kids” project this fall. Each student will create a seasonal (winter/Christmas theme) work of art, and these drawings are then turned into professionally printed greeting cards.

You will have the opportunity to purchase your child’s greeting cards with their artwork on the front and their name and age on the back. New products are being offered in addition to cards – check out www.artcardsbykids.com for more details.

Your order will be sent home with your child prior to the Winter break.

There is a small fundraising component to this project. The proceeds will be used to help with the purchase of extra art supplies for special projects (e.g., Mother’s day, Easter, Father’s day, etc.).

In November your child will bring home their sample Art Card with instructions on how to order.

Remember...grandparents and other family and friends love to have the opportunity to join in, so spread the art!

For more information on this fun and exciting project, please contact me or visit www.artcardsbykids.com.

Thank you,

Mme Jenn Ross
